All forms required by law to be filed by candidates are available at the Elections/Special Districts Office, 1415 Melody Lane Building A or can be downloaded from the Secretary of State's Web Page, www.azsos.gov and Cochise County Web Page www.cochise.az.gov. Signature requirements are based on a percentage of qualified electors on March 1st (A.R.S. 16-322.B) and will not be available until after that date.

CAMPAIGN POLITICAL COMMITTEE

***NEW* If a candidate or committee does not intend to receive or spend more than \$250 during his/her campaign, there is no need to file a \$500 Threshold Exemption Statement, or a Statement of Organization. Within 5 days of surpassing \$250, the candidate or committee must file either the \$500 Threshold exemption Statement or the Statement of Organization which ever applies.**

***NEW* State law requires that a new Statement of Organization or \$500 Threshold Statement be filed before each election; even if the current committee from a previous candidacy is still open (ARS 16-903). Also, any change of committee information, such as new officers, must be reported to the filing officer within five business days. These changes are reported by filing an amended Statement of Organization.**

Statement of Organization

- A candidate who intends to accept more than \$500 in contributions and intends to make more than \$500 in expenditures must file a Political Committee Statement of Organization. Campaign finance reports are required and must be filed on time.
- The committee name must include the name of the candidate. A committee must have a chairman and a treasurer. The candidate may be the chairman and the treasurer of his/her committee.
- The committee must notify the county elections office of the financial institution (s) where campaign contributions shall be deposited and campaign monies expended. The notification may be done at the time the Political Committee Statement of Organization is filed or within five (5) days after opening the account(s). Before accepting a contribution or making expenditures the financial institution(s) must be designated.
- The committee shall file an amended Political Committee Statement of Organization reporting any change of the information appearing on the previously filed statement within five (5) business days after the change.
- A political committee may terminate its activities only when the committee chairman and treasurer file a Termination Statement stating it will no longer receive any contributions or make any disbursements, that the committee has no outstanding debts or obligations, and that any surplus monies have been properly disbursed. ARS 16-914

\$500 Threshold Exemption Statement

- A candidate who intends to accept no more than \$500 in contributions and intends to make no more than \$500 in expenditures may file a \$500 Threshold Exemption Statement. If the \$500 contribution limit or the \$500 expenditure limit is not exceeded, no subsequent campaign finance filings are required.
- After filing a \$500 Threshold Exemption Statement the candidate may change their campaign finance registration to a candidate political committee by filing a Political Committee Statement of Organization. The committee is then entitled to collect more the \$500 in contributions and make more than \$500 in expenditures.
- If after filing a \$500 Threshold Exemption Statement the candidate receives more than \$500 in contributions or makes more the \$500 in expenditures a Political Committee Statement of Organization must be filed within five (5) days after exceeding either the \$500 contribution limit or the \$500 expenditure limit.

- **IMPORTANT CHANGE ARS 16-904 (F)(3)** Candidates filing the \$500 Threshold Exemption Statement are now required to file a Termination Statement to terminate their \$500 Threshold committee. This statement must be filed within 90 days after the end of the applicable election cycle (i.e. Primary or General election date) or candidates will be charged a penalty of \$100.00.

Therefore, a voter may sign only one nomination petition for a candidate who is running for the office of Treasurer.
- ✓ Candidates can sign their own petition
- ✓ All petition columns **MUST BE FILLED IN**. The date column is the one most commonly left blank.
- ✓ Anyone wishing to sign a petition **MUST SIGN THEIR OWN NAME**. A spouse, family member, friend, power of attorney, guardian, etc. may not sign a nomination petition on behalf of another person.
- ✓ The circulator or another person may **NOT** assist the signer by completing the remaining columns on the petition.
- ✓ No more than 10 signatures will be counted on a petition. Additional signatures collected in the margins will not be counted.
- ✓ do not leave petitions in any public place where the circulator cannot witness signatures, (i.e. restaurants)
- ✓ Candidates are strongly encouraged to obtain actual physical residence addresses or descriptions of place of residence relative to a city, town or post office building. P. O. Boxes are not invalid per se, but may be challenged in court.
- ✓ Suggestion** Collect more signatures than the minimum number required.

Who May Sign a Democratic Petition?

- ✓ Democrats registered in the jurisdiction of the office that the candidate seeks.
- ✓ Members of the unrecognized parties, independents or nonpartisans registered in the jurisdiction of the office that the candidate seeks.

Who May Sign a Republican Petition?

- ✓ Republicans registered in the jurisdiction of the office that the candidate seeks.
- ✓ Members of the unrecognized parties, independents or nonpartisans registered in the jurisdiction of the office that the candidate seeks.

What Parties are recognized for Cochise County Elected Office?

Types of Petitions:

Partisan Nomination petition (Primary Election)—A primary election candidate shall file partisan nomination petitions that contain signatures equaling no less than 2% and no more 10% of the total voter registration of the party of the candidate within the jurisdiction of the office they seek.

Non-Partisan Nomination Petition—This petition is used to nominate a person to a particular office within a political division or district regardless of party affiliation. Each person signing must be a qualified elector and resident of the division or district of the candidate.

Nomination Other Than By Primary Petition-- A candidate who is registered member of a party not entitled to representation, or who is registered as an Independent or No Party Preference, may be nominated as a candidate for Cochise County public office "other than by the primary election." Candidates wishing to be nominated other than by primary election shall file the required candidate papers and petition at the same time that primary nomination papers and petitions are required to be filed. Candidates nominated other than by primary election shall not be voted for at the primary election but shall be voted for at the general election. (A.R.S 16-341 A-C)

Petitions for nomination other than by primary election shall be signed by at least 3% of the number of persons who are registered to vote in the county or district for which the candidate is nominated and who are not members of the Democrat or Republican Party.

A petition circulated for a nomination other than by primary election candidate shall be signed only by voters who have not signed the nomination petition of a candidate for the same office voted for at the **primary election**.

Filing Petitions

- ✓ A petition may be filed with less than ten (10) signatures.
